

VITAX SAFETY INFORMATION SHEET

Date of Issue: February 2004

Revision: June 2009

1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND COMPANY/UNDERTAKING

Name of Product: WILTPRUF S600

Use of the Substance/Preparation: anti-transpirant

Manufacturer/Distributor: Vitax Limited
Owen Street
Coalville
LE67 3DE Tel: 01530 510060 Fax: 01530 510299 Email: tech@vitax.co.uk

Emergency Contact: Tel: 01530 510060 (Office Hours)

2. HAZARDS IDENTIFICATION

Classification: Irritating to skin. May cause sensitisation by skin contact. Toxic to aquatic organisms, may cause long-term adverse effects in the aquatic environment.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Formulation Type:	Emulsion concentrate containing:				
Hazardous Ingredients:	INGREDIENT	% w/w	CLASSIFICATION	CAS NO	EC NO
	di-1-p-menthene	23%	Xi, N, R38, 43, 50/53	-	417-870-6

4. FIRST AID MEASURES

Skin Contact: Accidental over exposure may result in the following symptoms:
irritating to skin. May cause sensitisation by skin contact.

Eye Contact: essentially non irritating.

Ingestion: low toxicity – no known reports of poisoning.

Additional medical guidance is available to doctors from the National Poisons Information Service.

Eye contact – irrigate with water thoroughly.
Skin contact – wash with soap and water. Remove and wash contaminated clothing.
Ingestion – rinse out mouth with plenty of water and seek medical advice.

5. FIRE FIGHTING MEASURES

Extinguishing Media: Not flammable
Extinguish with water spray or dry powder. Contain contaminated run-off.

Additional Information: In intense heat, after evaporation of water content incomplete combustion may produce hazardous fumes.

Special Protective Equipment: Wear self-contained breathing apparatus in confined spaces.

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions: Wash hands and exposed skin after handling.

Environmental precautions: Report to local water plc immediately if spillage enter drains and the Environment Agency or Scottish Environment Protection Agency if it enters surface or ground waters.

Spillages: Soak up with absorbent material such as sand. Transfer to heavy duty plastic bags or drums and keep safe for disposal.

VITAX SAFETY INFORMATION SHEET

Date of Issue: February 2004

Revision: June 2009

7. HANDLING & STORAGE

Handling: Do not block stack pallets.
Storage: Store in original containers, tightly closed in a secure, well ventilated, cool but frost-free, dry area away from foodstuffs and herbicides.

8. EXPOSURE CONTROLS/ PERSONAL PROTECTION Occupational exposure standards: none established. Normal good hygiene standards should be observed.

9. PHYSICAL & CHEMICAL PROPERTIES

Appearance	viscous white liquid
Odour	mild terpene odour
pH	not available
Boiling point	not available
Melting point	N/A
Flash point	none
Flammability	not flammable
Autoflammability	none
Explosivity	none
Oxidising properties	none
Vapour Pressure	not applicable
Relative density	0.99
Solubility	miscible in water
Other data	none

10. STABILITY & REACTIVITY

Stability: Stable under normal conditions.
Conditions to Avoid: Avoid high temperatures.
Materials to Avoid:
Hazardous Decomposition Products: Product decomposition under intense heat may release toxic fumes.

11. TOXICOLOGICAL Oral LD50 > 20 g/kg. Not an eye irritant. Dermal exposure – **Di-1-p-menthene is irritating to skin and may cause sensitisation by skin contact.**

12. ECOLOGICAL INFORMATION Not considered hazardous to bees or fish.

13. DISPOSAL CONSIDERATIONS Dispose of waste through a reputable waste disposal contractor in accordance with the Environmental Protection Act 1990.

14. TRANSPORT INFORMATION Not classified as hazardous for carriage.

15. REGULATORY INFORMATION **Labelling under the Chemicals (Hazard Information and Packaging for Supply) Regulations.**
R38 Irritating to skin
R43 May cause sensitisation by skin contact.
R51/53 Toxic to aquatic organisms, may cause long-term adverse effects in the aquatic environment.
S23 Do not breathe spray.
S24 Avoid contact with skin.

VITAX SAFETY INFORMATION SHEET

Date of Issue: February 2004

Revision: June 2009

S35 This material and its container must be disposed of in a safe way.
S37 Wear suitable gloves

16. OTHER INFORMATION

The product label provides information on the use of the product: do not use otherwise, unless you have assessed any potential hazard involved and the safety measures required.

Prepared by VITAX LTD, for Health and Safety purposes from the best knowledge available at the time of printing.

The classification of this preparation was carried out in accordance with directive 1999/45/EC and subsequent amendments modified by directive 2006/08/EC, taking account the directive 67/548/EC (Dangerous substances) modified by directive 2004/73/EC and Regulation (EC) 1907/2006 (REACH).
