

Littondale 2000mm dia

Material:

100% recycled engineering grade 250 cast iron as standard. Also available in any grade of recycled ductile cast iron.

Standard Finish:

Zinc rich primer and metal shield top coat. Finished as standard in satin black, also available in any RAL/BS colour.

Irrigation Holes & Covers:

Green-tech can supply tree grilles with irrigation holes and covers. Pattern alterations can also be made to allow grilles to accept uprighters.

Supporting Frames:

gtDales Collection Littondale 2000mm dia. is a 3 piece grille and requires a Type 2 support frame.

Tree Guards:

Green-tech offer a large range of tree guards which fix directly to the supporting frames to provide an extremely rigid and effective method of tree protection.

Security Clips:

Security Clips are available to prevent unauthorised removal of the tree grille segments and to further increase the systems rigidity.

Green-tech endeavour to ensure that the information given on this technical data sheet is accurate, but accept no liability for its use or its suitability for particular application.
